I understand that payment of a share entitles me to a weekly pickup of fresh, chemical free produce harvested at the Henry Got Crops! Farm at Saul High School or from Weavers Way Farm at Awbury Arboretum. I understand that I am sharing with the other shareholders and the farmers the risks that come with the growing season including weather, insects, crop diseases, etc. It is my responsibility to pick up my share on the day and time specified or to make other arrangements. I also understand that my payment is non-refundable.
